

Weim Friends Rescue

About Us

Weim Friends Rescue is an all volunteer 501c (3) non-profit organization based in Cincinnati, Ohio. We rescue, rehabilitate and re-home abandoned Weimaraners. We dedicate many hours to helping the Weims that come into our program. Please be patient with us as we have full-time jobs and we conduct our rescue work after hours. We look forward to speaking with you about our rescued Weimaraners!

About the Weims

We are often asked why Weimaraners need rescuing. Many of the Weims that come into foster care have been surrendered by their owner who is no longer able to care for the dog whether it is due to financial or personal circumstances. Some are relinquished to a shelter or picked up as strays and the owner does not reclaim the dog. Few come from abusive situations where the dog may need special care prior to adoption. All of the Weims have big hearts and are hoping to find a permanent home that will love them through their senior years. All of our Weims live with a foster home who become the experts on what family will be the best match for their foster Weim. They will have the final say on where the Weim is placed. We do not have a shelter facility.

Are you Weim Ready?

If you have owned a Weimaraner in the past, then you know that they are eager to please, have lots of energy and make themselves a part of the family. If you have never owned a Weimaraner, then we encourage you to review the article **“Living with a Weimaraner.”** This article will help you better understand the breed and determine if a Weimaraner dog is the right breed for your family. We also suggest that you take the **“Weimaraner Quiz”** to see if you are ready for this active breed. To learn more about the breed please visit the **“Weimaraner Club of America.”**

Our Adoption Process

After we receive your completed Adoption Application and your references have been checked you will be contacted for a phone interview by one of our Coordinators. Another volunteer will contact you to set up a mutually agreeable time to conduct your home visit. **NOTE: We ask that ALL family members be present for the home visit.** Weim Friends Rescue reserves the right to deny any application.

Once you have completed the adoption process and have been approved, your Coordinator will put you in touch with the foster homes to learn more about the dogs that you are interested in meeting. All of our dogs are living in foster homes within the Greater Cincinnati, Ohio area. You will need to travel to the foster homes to meet the dogs. We ask that you bring your entire family, including any dogs, to meet the foster dog to ensure all parties will get along. We do not hold or ship dogs. We place the dogs with the family we feel is the best match for the dog. If you don't feel a connection with the dog, then we encourage you to be patient until the right one comes along. **NOTE: At this time we are only able to accept applications from families who live within a 4 hour radius of downtown Cincinnati, Ohio (zip code 45202) or from a previous adopter. This rule is for the safety of our dogs – we need to be sure we can get our dogs back quickly in the event an adoption doesn't work out. If you live outside of this area or do not meet the requirement of being a previous adopter then we request a referral from your local rescue or club. We also encourage people outside of our area to check with their local Weim rescues first: <http://www.theweimaraner.com/> (see Rescue tab)**

Adoption Fees

All of the monies we receive go directly back into the rescue to care for the Weims in our program. We do not offer refunds, so we ask that you take the time to be certain that you are prepared to make a lifetime commitment to the adoption. Should you not be able to fulfill the adoption commitment, you must return the dog back to the rescue.

Weimaraners are known to be “**counter surfers**” and can be very skilled at getting onto counters, cupboards and into other areas of the home while seeking food or fun. Are you aware of this type of behavior and how would you manage it if your Weimaraner liked to “surf”?

Weimaraners are hunting dogs and therefore typically have a **soft mouth**. They can, however, be very oral when seeking attention from their human families or from other animals. Younger dogs especially will nip at tug at clothing, hands, etc. to gain attention. Are you aware of this type of behavior? Do you feel you can adequately deal with this type of behavior?

Weimaraners can be higher energy dogs and in their excitement may like to jump up on people to get attention. We discourage that type of behavior, but some dogs may need constant reminders that the

behavior is not appropriate. Are you aware that this particular breed can be a “jumpy” dog?

Weimaraners are highly intelligent dogs and require not only physical exercise, but mental and emotional stimulation as well. They desire to be a “**part of the family**” rather than just a pet. Are you ready for a dog that wants that level of interaction with you?

Weimaraners, like all higher energy and higher intellect breeds, can sometimes be prone to issues with **separation anxiety**. Some dogs, depending upon their history and genetic make-up may be predisposed to this type of behavior. Are you familiar with separation anxiety in dogs? Do you feel you can adequately deal with this type of behavior?

Our Weimaraners are located in foster homes throughout the Greater Cincinnati, Ohio area. Do you understand that you and all the members of your family (including current dogs) will have to travel to meet the dogs that you are interested in at their foster home?

Part of our application and approval process requires a phone interview. What is the best time to call and the best number to reach you on?

Part of our application process requires a home visit. Will you allow a volunteer to visit you and your family in your home? **NOTE: This visit must take place at a time when ALL members of your family are home.**
